DESSERT

MESSAGE FROM THE PRESIDENT & CEO

Dear Friends of Beacon House,

Welcome to the 2023 Veterans Salute Gala Celebration. I am honored to extend my deepest gratitude to each of you as we continue our mission to support our nation's heroes. This evening is not only a celebration of their service and sacrifice, but also of our collective commitment to changing the lives of the most vulnerable among us.

Each of you here tonight, by virtue of your attendance at this event, is making a real difference in the lives of the veterans we serve.

One such individual is Anne Shybunko-Moore, owner and CEO of GSE Dynamics. A long-time supporter of veterans, Anne is tonight's Veterans Salute honoree. Her unwavering commitment to the well-being and empowerment of our veterans has been nothing short of extraordinary. We are grateful for her deep commitment to our mission.

We are equally thrilled to acknowledge the outstanding support of our Community Partner of the Year, National Grid. Since our partnership began in 2017, National Grid has exemplified the spirit of collaboration and community engagement. Their support allows us to undertake significant projects, including the substantial transformation of the grounds of two veteran group homes. Furthermore, National Grid's partnership has been instrumental in launching our Linen Closet and Outreach Program, reaching thousands of veterans in need.

Of note, too, is last year's Community Partner of the Year, the Bolla Charity Foundation. Mr. and Mrs. Harry Singh, and their adult children, TJ and Jay, continue to astound us here at Beacon House. Their generosity in completely transforming yet another group home for our veterans is deeply moving. This transformation amounted to a work of art, as they took an aged Victorian home in Freeport and turned it into a home and property befitting a magazine. Our veterans are so appreciative.

To Anne Shybunko-Moore, National Grid and the Bolla Charity Foundation, we extend our deepest appreciation for your unwavering dedication to our mission. Your commitment to our cause helps us grow and enables our vital work of supporting and empowering veterans.

With your help, during this past year, we made incredible strides. One of our proudest accomplishments was the development of a new home providing a safe and stable environment to five formerly homeless disabled veterans, bringing our total number of group homes to 52. In addition, we took another crucial step forward with the launch of our Pro Bono Legal Clinic. Through the clinic, and with the dedication and commitment of attorney Craig Bruno, we offer vital legal services to veterans, ensuring their rights are protected and their needs are met.

Thank you for standing with us. Your donations are not just financial contributions, they are lifelines that afford our veterans opportunities to regain their dignity and independence. They represent hope, healing and a brighter future for veterans struggling across Long Island. We wish you a wonderful evening.

Sincerely,

Frank Amalfitano, President & CEO

DISTINGUISHED SERVICE AWARD

Anne Shybunko- Moore

CEO & Owner

GSE Dynamics, Inc.

Anne D. Shybunko-Moore is CEO and Owner of GSE Dynamics Inc., a Woman Owned Small Business, and a U.S. Defense Manufacturer. Founded in 1971, GSE specializes in providing complex structural assemblies direct to the U.S. Air Force, Navy and Army, as well as Major Aerospace Primes. Anne joined GSE in 2001, and has been strategically growing the company and expanding its capabilities.

The Defense Logistics Agency (DLA) awarded her company the prestigious Outstanding Readiness Support award for Woman Owned Business. GSE Dynamics was recognized as a Top Shop for the Composites Industry by *Composites World Magazine* for the past three years. In 2022, GSE was awarded with the Herald's Legacy Award for Family Business and the Inaugural "Voice of Industry" award from the Aerospace Industries Association (AIA).

Nationally, Anne is a member of the Supplier Management Council of the AIA and also currently serves on the AIA Board of Governors. From 2014-2017, Anne was an appointed member of The National Women's Business Council (NWBC), a non-partisan federal advisory council created to serve as an independent source of advice and counsel to the President, Congress, and the U.S. Small Business Administration on economic issues of importance to women business owners.

On the State level, Anne is an appointed member of Governor Hochul's Long Island Regional Economic Development Council, and served on the State Workforce Investment Board from 2014-2018. On the local level, Anne is on the Board of Directors of the Hauppauge Industrial Association (HIA). She is Co-Chair of the Board of Directors for The Cradle of Aviation Museum and sits on The DeMatteis School of Engineering Advisory Board at Hofstra University. Anne is the Founder and Chair of IgniteLI, Manufacturing Consortium of Long Island, an industry driven organization to promote manufacturing with a regional strategic plan for job creation and support for business. Her main advocacy is to promote manufacturing and the need for workforce training to help companies grow.

PRESENTS

COMMUNITY PARTNER OF THE YEAR

nationalgrid

National Grid is committed to our communities where we work and live. Through Project C, we are supporting the people and communities we serve across New York with sustainability programs, neighborhood development projects, grants and more. Our veterans are the fabric of our community, we appreciate them and thank them for their service.

When we look at our communities, we don't just see customers, we see our neighbors. We take pride in our New York neighborhoods, so we want to do more than provide reliable, quality service. That is why we are providing lasting support in the form of investment in local organizations, volunteer initiatives, community planning, neighborhood impact programs, community outreach, New York restoration projects and more.

In the two years since we launched Project C, one of our guiding principles has been to positively impact the communities we serve — the places we live, work and play. Nothing embodies that more than our annual Day of Service, with volunteer events across New York State.

To kick off the third year of Project C, we chose to expand this year's Day of Service into a full Week of Service. All week, our employee volunteers are cleaning up parks, renovating homes, hosting career fairs and much more to help every one of our neighborhoods continue to grow together.

National Grid

Thank You National Grid!

We're proud to share our enduring partnership with National Grid, which began in 2017. Their unwavering commitment has strengthened over the past two years, with a generous annual donation. This support has been instrumental in formalizing our linen closet and outreach program, providing vital assistance to thousands of veterans annually. We're immensely grateful not only for their financial generosity but also for their dedicated involvement. National Grid actively participates in outreach events, volunteers to enhance our homes, and fulfills holiday wishes. Their partnership is a testament to their genuine care for our cause.

Launched in 2021 by Beacon House, this program aims to renovate 12 veteran group homes across Long Island. Thanks to the incredible generosity of the Bolla Charity Foundation, the first two homes have been fully restored. This year, a 100-year-old Victorian home was transformed inside and out, providing 13 formerly homeless veterans with a beautiful, modern, and pride-worthy place to call home. These revitalizations not only provide shelter, but serve as a springboard for the pursuit of independence. We invite the Long Island business community to partner with us in making a difference for our veterans! To learn more about the different levels of participation, please contact Tina Sferrazza at Tina@uvbh.com

At left: Harry Singh, CEO and President of Bolla Management Corp. and Frank Amalfitano, CEO/President of Beacon House. Above: The leadership teams from Beacon House and Bolla were joined by local elected officials, veteran residents and community members for the ribbon cutting celebration.

Bolla Charity Foundation's stunning renovation of the 100-year-old Victorian that is home to 13 homeless veterans.
